### Session 5: 9-10 am

**Plenary Session**  
**Professor Helen Small**  
Faculty of English and Pembroke College, University of Oxford

### Session 6: 10.15-11.45 am

**Symposium**  
**The real dementia challenge: using research to change practice for older people with dementia**  
**Chair: Jill Manthorpe**  
Research Stream: Health and Care

**Papers:**
- Jill Manthorpe - *The real dementia challenge: using research to change practice for older people with dementia*
- David Lowery - *Reducing caregiver burden: a curious corollary of asking a caregiver to do more!*
- Steve Iliffe - *Does tailored education improve the diagnosis and management of dementia in general practice? Findings from the EVIDEM-ED pragma*
- Claire Goodman - *Using Appreciative Inquiry in Care Homes: “AI Light” to Mitigate Uncertainty Inherent to End-of-Life Care of People with Dementia*
- Kritika Samsi - *Implementation of the Mental Capacity Act 2005 in health and social care services for people with dementia*
- Vari M Drennan - *Challenges and management of continence/incontinence by people with dementia and carers in the community*

**Symposium**  
**The role of technology in promoting wellbeing and independence in later life**  
**Chair: Sue Yeandle**  
Research Stream: Health and Care

**Papers:**
- Alan Roulstone - *Realising Telecare Potential: Policy and Evidence*
- Peter Buckle - *Design, technology and ageing: the use of socio-technical systems approaches*
- Gary Fry - *The AKTIVE project: how telecare can improve the lives of older people prone to falls or who suffer memory problems*
- Emma-Reetta Koivunen - *Exploring telecare use in everyday life: a longitudinal and ethnographical methodology*
- Adam Darowski - *Assisstive Technology to Maintain Older People at Home*
- Marianne Howard - *Telecare to support independent living: Experiences from Leeds City Council / A local authority point-of-view*
Symposium
Unpaid eldercare and employment in Europe
Chair: Birgit Trukeschitz
Research Stream: Society and Economy

Papers:
- Ulrike Schneider - Work-to-family and family-to–work conflict of working caregivers: Evidence from the European Working Conditions Survey
- Birgit Trukeschitz - Unpaid eldercare and turnover-intentions: insights into gender patterns
- Marjolein Broese van Groenou - Care-giving employees and employers who care – Evidence from the Netherlands
- Linda Pickard - Does 'replacement care' help unpaid carers remain in employment in England?
- Nicola Brimblecombe - Working and caring in England: Initial results from a new survey of employees

Symposium
When two worlds collide? Policy and practice for housing with care
Chair: Anthea Tinker
Research Stream: Health and Care

Papers:
- Robin Means - Housing and Care - the Long View
- Robin A. Darton - Care and Support for Residents with Different Levels of Need in Housing with Care Schemes in England
- Randall Smith - Housing with Care: Terminology Traps
- Simon Evans - Is policy driving practice for housing with care? An analysis of survey data from the ASSET project
- Karen Croucher - Living Together, Getting Along

Symposium
Ageing and agency: developing new theoretical perspectives for critical gerontology
Chair: Jan Baars
Research Stream: Cultural Ideas and Values

Papers:
- Joseph Dohmen - Active ageing and moral agency
- Jan Baars - Agency and Autonomy: Beyond Independence
- Joachim Duyndam - Resilience and Creativity
- Chris Phillipson - Rethinking agency in later life: structural and interpretive approaches

Symposium
Transitioning to retirement: understanding the implications for everyday lives
Chair: Dr Kate Burningham
Research Stream: Cultural Ideas and Values

Papers:
- Debora Price - Transitioning to retirement: do couples re-negotiate their money management practices?
- Suzanne Moffatt - “It’s conditioned by health and finance.” Narratives on the transition into retirement.
- Susan Venn - Consumption practices during the transition to retirement: implications for environmental sustainability
- Monique Raats - The impact of transitions on satisfaction with food-related life
Roundtable
Home Care requires more than Physical Care
Chair: Atenea Flores Castillo
Research Stream: Health & Care

Papers:
- Atenea Flores Castillo - Medical and Psychological Health Care and Cash Transfer Programs for the Elderly in Mexico
- Fournier Anne-Gaëlle - Psychological care for dependent older people in nursing homes (Établissement d’Hébergement pour Personnes Âgées Dépendantes, EH)
- Maria Teresa Abusleme Lama - Virtuous triad to provide home care
- Armando Ahued Ortega - Psychological care in Mexico City Home Care Programme for Vulnerable Population

Economy and Society - Open Session
Cross-Cultural Intergenerational Studies

Papers:
- António M. FONSECA - Ageing in the rural areas. The role of intergenerational practices.
- ALEJANDRO KLEIN - Approaching to the contemporary bonds between grandparents
- Joanne Cook - “The impact of the migration of the child generation on Experiences of Ageing and the Intergenerational Contract in Rural China”
- Teresa Atkinson - Prime Minister’s Challenge on Dementia: Intergenerational Schools Project (It’s not all knitting and bingo!!)
- AYENIBIOWO, Kekinde Olufunke - Youth’s Attitude To Grandparents: Implications For Care Of The Aged
- Burcu Ozdemir - Imbalanced Intergenerational Transfers over the Life Course: The Case of Turkish Women

Health and Care - Open session
Home care – Part 1

Papers:
- Yoshimi Wada - The meanings of choice in long-term care in England and Japan
- Hazel Morbey - Supporting Older Carers of Those Nearing the End of Life
- José de São José - What is going on in the care encounter? A grounded theory of receiving social care
- Goetz Ottmann - Self-Directed Community Aged Care for CALD, ATSI, and Rural Communities in Australia: A Summary of Working Group Outcomes

Research, Methods and Training – Open session
Dementia and other Methods

Papers:
- Suzanne Hardy - The Mental Capacity Act and assessing the capacity to consent of people with dementia
- Ann-Marie Towers - “Most people lack capacity here” – the ethical and methodological challenges of conducting research in care homes for older adults
- Priya Khambhaita - Limitations to ethnic matching in the recruitment of older Asian male participants
- Alisoun Milne - Continuing Carers - Developing a conceptual framework to explore their status
- Kate Allan - I feel I’m being drawn into another world: Flow and persons with dementia

### Session 8: 2.30 – 3.30 pm

**Plenary session**
Dr Paul Fairchild  
Oxford Stem Cell Institute, University of Oxford

### Session 9: 3.45 – 5.15 pm

**Special Starred Session**
AGE UK  
(Details to follow)

**Special Starred Session**
Building an Understanding of How to Promote Healthy Ageing  
Chair: Catherine Dennison - Pocklington

**Papers:**
- Clare Thetford - Resilience and visual impairment in old age
- Amy Burton - Managing general health with vision impairment
- Meridith Griffin - Physical activity among older people with sight loss: A qualitative research study
- Alison Bowes - Best practice in the design of residential environments for people living with dementia and sight loss

**Symposium**
The role of technology in promoting wellbeing and independence in later life: LINKED PAPERS (B)  
Chair: Sue Yeandle  
Research Stream: Health & Care

**Papers:**
- Marianne Markowski - Using constructive design research to develop online social technologies for older people
- Gul Seckin - Health Communication, Perceived Control, Self-Rated Health, and Depression among Technology Users with Cancer
- Xiaodong Gong - Social life and ICT Products Use for Elderly People
- Bláithín Gallagher - A critical review of recent research on new and emerging technologies for older people
- Gary Pritchard - Assistive Technology, Telecare and the Irrationalization of Later Life

**Roundtable**
Work and Well Being in later Life: (re)connecting labour market processes and the ageing process  
Chair: Martin Hyde

**Papers:**
- Paola Zaninotto - The impact of psychosocial working conditions on health trajectories among older workers
- Marcel Goldberg - Physical work environment factors and health in later life: the WorkAge project
- Hugo Westerlund - Trajectories of labour market exit and health – cross national results
Roundtable
Theorizing Masculinities and Ageing
Chair: Edward Thompson
Research Stream: Cultural ideas and Values

Papers:
- Kate M Bennett - *What do older widowers’ relationships with their adult children say about ageing masculinities?*
- Gabriela Spector-Mersel - *A-integration and the never-aging masculinity scripts*
- Edward H Thompson - *Older Men's Blueprint for 'Being a Man'*
- Cassandra Phoenix - *Doing Masculinity in Physical Culture: What Can We Learn from Physically Active Older Men?*
- Linn Sandberg - *In lust we trust? Sexual desire and later life masculinity*

Cultural Values and Ideas - Open session
Rights and Representations

Papers:
- Lizzie Ward - *Mobilisations of ‘active ageing’ in lifestyle media and public health policy: Identifying a new ageism?*
- Joan Harbison - *How the "right to protection" overrides older people's right to services: Theoretical concerns*
- Norbert Meiners - *German Print Media targeting the Elderly: A Market Study*
- Jay Shaw - *Dignity and Care in the Media: A Critical Exploration of the Francis Report*
- Lucie Vidovicova - *Ageism and Age discrimination: Decade of (No) Change?*

Cultural Values and Ideas - Open session
Dementia, Language and the Arts

Papers:
- Brenda Roe - *Evaluation of an arts for health programme for older people in the community: Coffee, Cake & Culture*
- Azucena Guzman-Garcia - *Dance-based exercise for older people with dementia living in care homes*
- Jackie Reynolds - *Arts, social capital and ageing: towards deeper understandings*
- Susan Potter - *Portals to the World: findings from a participatory arts and cultural study*

Health and Care - Open session
Health Status

Papers:
- Shirley Simmonds - *Hospital admissions among men and women who participated in the Hertfordshire Cohort Study: a record linkage study*
- Seung-Min Park - *Social Support and Subjective Health Condition in Later Life: Evidence from the Seoul Welfare Panel Study*
- Gindo Tampubolon - *Trajectories of cognitive function of older adults in the U.S. and England*
- Matthew Roberts - *The Effect of Lifestyle on Cognitive Function in Diabetics and Stroke Survivors: Interim Findings from CFAS Wales.*
- Laurie M. Corna - *Socioeconomic inequalities in health in the context of the life course*
### Research, Methods and Training – Open session

**Assorted Methods**

- Karen Burnell - *Access to Information: A collaborative project to develop an community information website*
- Cynthia Meersohn Schmidt - *Studying Age Transitions with Social Imaginaries*
- Ann Netten - *Developments in measuring social care outcomes: the case of ASCOT*
- Jiweon Jun - *Understanding Daily Life of Older People using Time Use Data: Multidimensional Life Balance Index*
- Nick Smith - *Researcher experience in older adult care and nursing homes*
