

The Oxford Institute of
Population Ageing

EAST Research Network

Joint Workshop on

'Long Term Care, Spatial Planning and Public Policy in Central and Eastern Europe'

in Budapest, Hungary

10-11 June 2016

This EAST Research Network Workshop will provide an opportunity for members of EAST to share research, policy and practice on this important topic. The two day Workshop also provides an opportunity to discuss emerging issues with colleagues and provides an ideal platform for developing future research collaboration.

The programme will include plenary lectures, paper presentations and discussion, and poster sessions.

Speakers include:

[Professor. Andreas Hoff](#) (University of Zittau-Görlitz, Germany)

[Professor. Valentina Hlebec](#) (University of Ljubljana, Slovenia)

[Professor. Zsuzsa Széman](#) (Institute of Mental Health, Semmelweis University, Hungary)

[Dr Mihaela Ghenta](#) (National Scientific Research Institute for Labour and Social Protection (INCSPMS), Romania)

[Dr Lucie Vidovičová](#). (Masaryk University, Czech Republic)

We are inviting papers and poster presentations, **deadline** for submissions is **15th April 2016**.

Topics could include: Cross border and cross territorial co-operation and mobile care; Facilities for care in remote areas; Elder friendly towns; Non-kin based fostering for older people; Legal dimensions of the duty to take care; Assets, resources and intergenerational relations; Possibilities of innovation in long-term care (e.g by ICT, new services, new structure)

The Programme and registration form are available from: <http://www.ageing.ox.ac.uk/events/view/289>
