The Oxford Institute of Population Ageing presents:

Michaelmas Term 2018 Seminar Series

Thursdays at 14:00 – 15:30
Seminar Room: 66 Banbury Road, Oxford OX2 6PR
Convener: Kenneth Howse

‘Providing Health and Social Care for an Ageing Population: Challenges and Responses’

11 October: ‘Health economics of integrated care: another response to an ageing population’
Dr Apostolos Tsiachristas, Health Economics Research Centre, University of Oxford

18 October: ‘Good care at home for older adults in Singapore: ethical, practical and policy dimensions’
Dr Mike Dunn, Ethox Centre, University of Oxford

25 October: ‘Trends in emergency hospital admissions: age, cohort and period effects’
Mr Raphael Wittenberg, Nuffield Department of Population Health, University of Oxford

1 November: ‘Population ageing and implications for future end of life care provision’
Ms Anna Bone, King’s College London

8 November: ‘Untangling the Gordian Knot: in pursuit of person-centred, integrated care for ageing populations’
Dr Caroline Potter, Nuffield Department of Population Health, University of Oxford

22 November: ‘The problem of understanding multi-morbidity in the elderly’
Professor Alan Silman, Nuffield Department of Orthopaedics, University of Oxford

29 November: ‘Sustainable care for old age: the long-term care system in Japan. What can England learn?’
Ms Nina Hemmings, Nuffield Trust

All are welcome, no need to register to attend.
